

Dear Parents,

Welcome to the Syosset Soccer Club. We are excited to offer you and child an opportunity to join our club through a series of open evaluations during the weeks of May 24 - June 4. These evaluations will take place during our normal training times and locations at Stillwell Woods Park in Syosset.

If you are a current player, you will automatically be considered through your normal attendance.

If you are a new player who would like to come for an evaluation, please see the training times and specific field locations on the map below. The Head Trainer is listed for each age group, so please check in with them on the field upon arrival. They will collect your contact information and be the point person for ongoing communication. Please feel free to join us for one or as many of the scheduled sessions over the two weeks as you wish. The Head Trainer will be the one responsible for communicating any roster offerings for all players.

Additionally, the information below is a summary of what is included for all of our travel based programs from U7-U19.
